HUFF
HUFF
CREEEEE

HM.
CLICK
!
WHAT IS THAT?!
!?
STEP
STEP
WHATS WHAT?
WHAT- WHAT!? WHO-
OOOKAY THEN; WHY?
NOTHING REALLY. NO ONE, TRULY
DONT ASK THAT ONE.

ALRIGHT THEN, WILL I EVER REMEMBER?
YOU WANT TO? THE OTHERS DIDNT SEEM TO ENJOY THE FEELING.
HANG ON... OTHERS?! WHAT DO YOU-
THE FEELING?!
OH YEAH IM TOLD ITS VERY UNPLEASANT.
YA KNOW WHAT? IT DOESNT MATTER.
..... OKAY THEN.

BLOCKERS OFF. FULL MEMORY ACCESS PERMISSIONS GRANTED.
PAIN
THIS IS PAIN
THIS.. THIS IS WRONG... THIS ISNT... RIGHT.... WHOS... WHO AM.. WHICH AM...

I FEEL THE SUN ON MY SKIN
I FEEL A KNIFE IN MY FLESH
MY HEART IS VIBRATING
SOMETHING IS WRONG
ARE THESE ALL... ME?? AM I... THEM??

PLEASE, CONTINUE NOW

WHATEVER WE CALL IT—
MIND, CHARACTER, SOUL—
WE LIKE TO THINK WE POSSESS
SOMETHING THAT IS
GREATER THAN THE SUM
OF OUR NEURONS AND THAT
"ANIMATES" US.

A LOT OF MIND, THOUGH
IS TURNING OUT TO BE BRAIN.
A MEMORY IS A
PARTICULAR PATTERN OF
CELLULAR CHANGES
ON PARTICULAR SPOTS IN OUR HEADS.
A MOOD IS A COMPOUND
OF NEUROTRANSMITTERS.
TOO MUCH ACETYLCHOLINE, NOT
ENOUGH SEROTONIN,
AND YOU'VE GOT A DEPRESSION.

SO, WHAT'S LEFT OF MIND?

T.E.A.R.
